Prices Subject to change without notice. Contract pricing will be set based on credit approval and estimated volume of sales. All rentals/leases of SafeBild product will be secured by means of valid drivers license and credit card pre-approval (of president or director of company) for the total invoicable amount of product received. In the event of loss/damage/theft of any product, the customer is responsible for the full purchase amount of such product and will be charged to the credit card used to secure said rental/lease.

\* Volume purchase prices to be negotiated and agreed upon on a case by case basis
